**A HUMAN VOYAGE
AN INTIMATE JOURNEY**

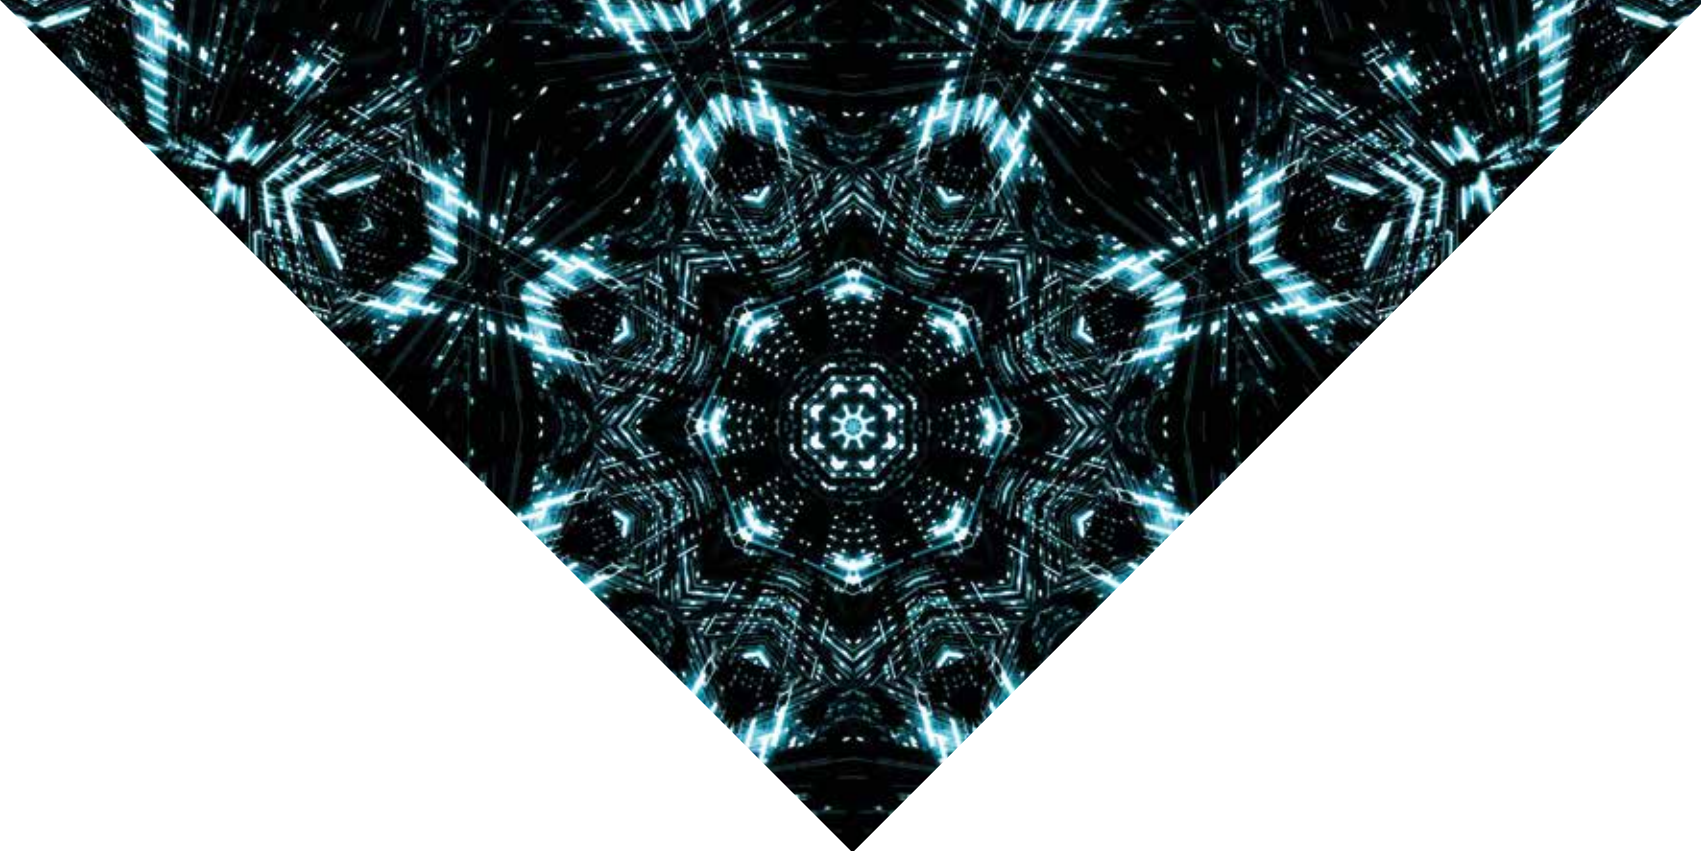

As the pandemic remains, people are taking care more and more of their surroundings. Colors are very important, even crucial for our day to day life.

With this in mind, Munksjö is happy to present to you
– THE DAILY CYCLE OF HUMAN ACTIVITY – inspired by our new 2021 – 2022 trend book for solid colors.

Let's take a walk through our four different trend orientations, each with five colors to express the mood :

NIGHT'IN
PROTECT'IN
NEST'IN
ACT'IN

Enjoy this journey with Munksjö! Bon voyage !

The
world
of our nights,
filled with dreams
and nightmares, the
unconscious world including
mysteries & fantasies. The world of our
nights, filled with dreams and nightmares,
the unconscious world including mysteries &
fantasies. The world of our nights, filled with dreams
and nightmares, the unconscious world including mysteries &
fantasies. The world of our nights, filled with dreams and nightmares,
